

VERIZON PRODUCT EVALUATION

Product Evaluated: SqueezyKleen Cable Gel Remover

Company: Polywater

Evaluation period: 6-5-09 thru 7-1-09

Recommendation: SqueezyKleen Cable Gel Remover takes fewer wipes than DGEL and does not require alcohol as a follow up cleaner to remove the DGEL.

Product functionality: SqueezyKleen Cable Gel Remover is less harsh on skin than alcohol and removes grease and gel better.

General product description: SqueezyKleen Cable Gel Remover is a cable cleaner that is used for ribbon and loose tube cable.

Evaluation type: Field Trial

Overall results: SqueezyKleen Cable Gel Remover Saves time and is better for the technician
